

How to read Kinder m8 Parent Statements

Please see below instructions on how to read statements that are generated.

The screenshot shows a 'Kinder m8 Account Statement' interface. At the top left is the Kinder m8 logo. To its right is a greyed-out area. Below the logo is another greyed-out area. On the right side, the title 'Account Statement' is displayed. Underneath, the 'Statement Details' section shows 'Statement Period' as 'Jun 28, 2021 - Jul 18, 2021' and 'Statement Generated' as 'Jul 14, 2021'. Below this is a table with two columns: 'Your Account Balance' and 'Payment Summary'. The 'Your Account Balance' table has three rows: 'Opening Balance on Jun 28, 2021' with a value of '\$0.00', 'New fees and charges' with a value of '\$606.00', and 'Payment/Refunds' with a value of '\$605.94'. The 'Payment Summary' table has two rows: 'Payment Date' as 'Jul 19, 2021' and 'Due Now' with a value of '\$0.06'. Red boxes highlight the opening balance value, the 'New fees and charges' row, the 'Statement Period' and 'Statement Generated' values, the 'Due Now' value, and the 'New fees and charges' value.

8. Session Summary – This gives a summary of the sessions that have been submitted for this child for the statement period selected.

9. Statement of Entitlement CCS & ACCS - This gives a summary of the CCS and ACCS that the child has received for the week/s in the selected statement period. This example shows for week 26/06

* **Hours** - The child had a total of 21 hours for the week.

* **Fee** - The fees charged by the centre was \$202.00

* **CCS** - The CCS payment was \$111.32 which is calculated based on the child's CCS entitlements. (Please note – if there is an amount shown in red within brackets, this amount has been paid to parent, not directly to the centre)

* **ACCS** - This child does not receive ACCS. (Please note – if there is an amount shown in red within brackets, this amount has been paid to parent, not directly to the centre)

* **CCS Hours** - This shows you the number of CCS hours the child was entitled to for that week. This may differ from the total hours of attendance in the case where the child has gone over their entitled CCS hours for the fortnight. For example, if a child is entitled to 100 CCS hours per fortnight, the child attends the service 5 days a week and the sessions are 11 hours each day. This means that the child attends 110 hours per fortnight. For week 1 of the fortnight, the child will be entitled to 55 hours of CCS but for week 2, the child will only be entitled for 45 hours of CCS. This means there will be 10 hours the child will be charged full fees.

* **Gap** – This shows the gap fee that is payable by the parent once the CCS component has been taken out.

10. Child Summary - This section shows the child's Enrolment ID and the YTD Absences.
